

Puppy Prep Products

A convenient list of essentials you can take to the store or use our online list and click on the links to buy our recommended products.

Collar - get a flat buckle collar and make sure it fits her correctly.

Leash - regular 6' lead.

2 Bowls - one for food and one for water. Make sure to get them large enough for when she is full grown.

Dog Food - There are lots of opinions out there. Taste of the Wild dry dog food is our favorite.

Dog Treats - Lots of great ones out there. Mini naturals is a great one for training and getting started.

Crate - 42" large size with a divider and cover. You can use it for her entire life.

Dog grooming supplies - brush, nail clippers, tooth brush and tooth paste.

Toys - Kong is always a favorite.

Carpet cleaner - make sure it will eliminate the stain and the odor.

Pooper Scooper - make a dirty job a bit cleaner.
